PROFESSIONAL SUMMARY

Energetic Computer Science student at Marian Engineering College with knowledge in React, Node.js, Express.js, MongoDB and many other technologies. I've sharpened my programming skills through hands-on experience in web development. Eager to tackle fresh challenges, learn continually, and create innovative solutions. Committed to delivering top-notch software. Seeking opportunities to make a difference in the industry.

EXPERIENCE

UST, Trivandrum – Internship

MAY 2023 - JUNE 2023

Gained valuable insights into the inner workings of NOC, SOC, and ITIL practices. This exposure helped me understand the importance of operational efficiency, security, and IT service management in large-scale organizations.

ICT Academy of Kerala, Trivandrum – Internship

MAY 2023 - JUNE 2023

Collaborated with team members to develop a blood bank management system and contributed to UI design and development.

EDUCATION

Marian Engineering College, Trivandrum – B.Tech in Computer Science

NOV 2021 - PRESENT

Arya Central School, Trivandrum – AISSCE (Class 12th)

JUNE 2019 - JUNE 2021

GPA : 8.6

PROJECTS

Blood Bank Management System – Frontend Development

Focus on creating an intuitive and user-friendly interface using React Material UI and CSS.
